Oberbank AG
IBAN AT37 1500 0006 2100 6055 / BIC OBKLAT2L

OENORM EN 13501-2:

“Fire classification of construction products and building elements - Part 2: Classification using data from fire resistance tests, excluding ventilation services”

Edition: 15. February 2010 – withdrawn

1. November 2016

Period of validity:

The Classification Report No. 12020212-3,Rev1-en dated 04.03.2021 can still be used in conjunction with this letter until **4 September 2027**.

This certificate is issued on the basis of the stated principles. However, should fundamental test or evaluation criteria change, the validity will expire before the deadline. Furthermore, the validity expires if the applicant makes unauthorised technical changes and exceeds or falls short of the measurements stated in the test report, unless the deviations are within the tolerance ranges (see Test report).
